

TRANSFORM YOUR CAPITAL MARKETS PLATFORM WITH CALYPSO

Quinnox, a partner with deep expertise to optimize your investment.

If you are looking to transform Capital Markets platform, then Calypso is the right platform. Calypso implementations are complex and if not implemented correctly then introduces significant risk of errors. To de-risk implementation you need a partner who has vast domain expertise in Capital Markets, deep understanding and investment in Calypso platform and significant body of work.

You know the power of Calypso. We'll help you unleash it.

If you're thinking about or have already chosen to invest in the Calypso platform, you already know the many positive impacts it can have on your entire operation. Properly deploying, optimizing, testing, and supporting this industry-leading platform requires specialized expertise.

If you're looking to de-risk your implementation and gain the most from your Calypso investment, Quinnox offers a complete turnkey solution that offers key benefits such as:

Speedy
deployment

Lower cost
of ownership
